

Board of Administration (BoA) COVID PROTOCOLS

The BoA protocols are based on the number of reported, active positive cases in Carefree and the risk of infection in Lee County.

The colors (green, yellow, orange, and red) represent the degree of risk and the associated procedures. The BoA recommends that individuals become more cautious as risk factors increase.

The BoA recommends these protocols for its members, renters, guests, and others who visit this community.

The BoA protocols align with the recommendations made by the COVID Ad Hoc Protocol Committee, the CCC and the Art House. Please refer to the CCC and Art House protocols for more specific guidance about Clubhouse and Art House events, activities, and spaces.

	GREEN	YELLOW	ORANGE	RED
OUTDOOR PROTOCOLS	Unrestricted outdoors	No capacity limits. Masks suggested if cannot distance. Food and Drink OK.	Capacity limits. Masks & distancing suggested. Drinks/No food.	Capacity limits. Masks* & distancing required for outdoor activities. Hydration only.
